KOOPMAN'S

Anti-Dysenteric & Anti-Dyspeptic

BITTERS.

PREPARED BY B. KOOPMAN.

CHARLOTTE, N. C.

THESE unrivalled Bitters possess peculiar curative properties in all Affections of the Bowels. They will be found effectual in the cure of Dysentery, Diarrhœa, Dyspepsia, Sour Stomach and all those painful and troublesome diseases arising from a derangement of the digestive organs and irregular action of the functions of the stomach and intestines. They will also be found a SAFE REMEDY FOR CHILLS AND FEVERS.

These Bitters are prepared from Roots brought from Germany, and for over a century have been found effectual in that country for the permanent cure of the diseases enumerated above. They contain no deleterious drug, but are compounded entirely from roots, and are perfectly safe at all times.

A simple trial is all that is asked, as a cure will naturally follow, and that is the best certificate of their superiority over every other remedy for those particular diseases.

They are manufactured by B. Koopman, Charlotte, N. C., and for sale by

KOOPMAN & PHELPS.

Also, for sale at F. Scarr's and E. Nye Hutchinson & Co's Drug Stores. [feb 25-ly

Notice to Merchants.

FORWARDING OFFICE
S. C. & R. R. Co.
CHARLESTON, March 10, 1861.

THE South Carolina Railroad Company having determined to discontinue this department of the service, the undersigned, who has been the Forwarding Agent of the Company for the last four or five years, has associated with him the Chief Clerk in the department, and, under the name of GANTT & STONY, will continue to RECEIVE and FORWARD such articles as may be consigned to his care. He trusts, by strict personal Attention, to retain a very liberal share of the business of the department.

Parties are reminded that *all goods* now reaching this port from points beyond the Confederate States of America, must be entered at the Custom House, and that duties are payable on such as are not purchased on or before the 25th February inst., *and laden on shipboard on or before the 15th March instant*, save such as are on the free list. It is therefore necessary that remittances be made to pay the duties where duties are payable, AND IN ALL CASES TO COVER THE EXPENSE OF CUSTOM HOUSE ENTRY, WHETHER THE GOODS ARE FREE OR NOT. Prompt compliance will prevent delay and expense, as all articles not entered and permitted will be stored by the Custom House officers. The South Carolina Railroad Company will advance, as heretofore, the charges of freight, drayage and warfage, *but not the expenses connected with the Custom House.*

Rates of charges for forwarding will be very moderate, and may be had on application to GANTT & STONY, to whom all business communications should be addressed.

The undersigned refers to the officers of the South Carolina Railroad Company, to the customers of the Forwarding Department, and to all merchants of standing in the city of Charleston, and respectfully solicits a liberal share of patronage.

Late Forwarding Agent S. C. R. R. Co.

A CARD TO THE PUBLIC.

THE NEWBERN

Daily and Weekly Progress,

IT IS ALREADY KNOWN TO THE PUBLIC that the unceremonious entrance of Burnside into Newbern on Friday last has compelled the temporary suspension of the PROGRESS. This was a barbarous and villainous proceeding of old Burnside, inasmuch as it has deprived the public of the advantages of a good paper, besides the inconvenience to the citizens of Newbern.

By the circumstance of our arms at Newbern, I have lost everything I had in the world—presses, type, and stock and other office material and furniture and other property of all kinds, is all gone—but still I hope to be able to make arrangements at an early day to issue the PROGRESS at some point not very remote from the old stand; this will depend however upon the extent to which Burnside is able to penetrate the bowels of the land.

Having lost all I have, I must urge all who are indebted to the PROGRESS office to make immediate settlement. Though in the army my address will be for the present, Goldsboro, N. C.

☞ Papers in the State that receive the PROGRESS in exchange will please copy or notice this card.

J. L. PENNINGTON.

THIRTY DOLLARS REWARD,

WILL be given for the apprehension and delivery of David Reid, who deserted Company E., 34th Regiment, North Carolina Troops, at Camp Mangum, near Raleigh, N. C., 13th January, 1862.—Said Reid is supposed to be thirty-seven years of age, five feet eleven inches high, sandy hair, blue eyes, red complexion and down-look, nothing promising indicated in his appearance. Said Reid's residence is Caldwell county, N. C., where he is supposed to be lurking. Bring him in and receive the money.

DEVOTED TO

POLITICS, AGRICULTURE, MISCELLANY, GENERAL NEWS.

PUBLISHED BY

DENNIS HEARTT,

HILLSBOROUGH, N. C.

WITH the present volume the RECORDER commenced the British year of its existence, the first number having been issued the 10th of February, 1820; during all which time we have labored to make our paper interesting and useful, and we hope that in these particulars we have not been altogether unsuccessful. It has been our wish to make the RECORDER a good Family Paper, devoted to Politics, Agriculture, Miscellany, General News, &c., with a view to the entertainment and improvement of the farmers and citizens of the circle in which it is distributed. Our Agricultural department we endeavor to fill with the best selections we can make from all sources, giving preference to such as will be of practical use to the farmer and embellisher; and in this particular we hope to make the RECORDER a valuable to the agriculturist as any periodical of a purely agricultural character. In our Miscellaneous department, we shall continue to be, as we have always been, careful to select such articles as will have a tendency not only to amuse, but to improve the mind and heart. While we shall be thankful to receive well-written articles to adorn our columns, we are not so ambitious of originality as not to prefer selected matter of superior merit, to loosely written and ill-digested articles, though ornamented at the top with the coveted words—"Written expressly for the RECORDER." In our News department we shall take especial pains to present to our readers the latest intelligence; and to enable us to do so we have facilities equal to those enjoyed in any portion of the State, except those favored with telegraphic communication.

PROSPECTUS

OF THE

STATE JOURNAL.

HAVING become the proprietor of the *Daily Confederate Press*, I have incorporated that paper into the STATE JOURNAL, which will be published Semi-Weekly and Weekly.

The STATE JOURNAL will advocate Democratic principles in the broadest sense, and will support and defend Democratic measures and their advocates as they are presented, and as occasion may require. To other essentials it will be my aim to make the paper what its name denotes, a State Journal, excluding all sectional considerations and working for the entire State and her common interests.

As soon as arrangements can be made the whole paper shall be re-modeled and printed with new type, on good paper, and in a superior manner.

The Editorial department will be properly attended to in its various branches, and will speak for itself. Neither labor nor expense will be spared in the management of the paper.

The *terms* of the State Journal will be as follows:

Semi-Weekly, per annum.....$4 00
Weekly.....2 00

These terms will be insisted upon *invariably in advance.* No name will be put upon the list without the money, and all papers will be discontinued at the expiration of the time for which they have been paid, unless the subscription be renewed. I am satisfied, from years of experience, that upon no other footing can any newspaper hope to succeed.

Advertisements of a proper character will be inserted at the following rates:

A liberal deduction on these rates for yearly advertisers in the Semi-Weekly and Weekly editions the full rates will be charged.

A NORTH CAROLINA PAPER.

THE TIMES.

A large Eight Page Weekly, published in Greensboro, N. C.

$2 00 a year; $1 00 for six months.

THE TIMES containing weekly forty columns of choice matter, specially adapted to the family circle. It is neither sectarian nor politics, but by being courteous to all sects and parties, it is the constant aim of the publishers to present in its columns whatever may elevate the people and enrich the State. The publishers would earnestly appeal to the families of North Carolina to give THE TIMES a trial; try it for six months, to see if it be not as well to patronize home papers, as those from abroad; it is to build up home interests and a State prosperity, to sustain our substance and our energies among strangers. Give the TIMES a trial and then let it stand upon its merits.

WHAT SHALL BE THE TIMES.

"The Times I regard as the very first of our Southern Literary Weeklies."—Rev. C. F. Deems.

"I know of no Weekly published anywhere, that is as deserving of public patronage as the Times."—Rev. J. E. Edwards.

"There is no pandering to a vitiated taste—every article is of a moral tendency, and calculated both to amuse and instruct."—Wilmington Herald.

"One of the handsomest weekly papers published in the Union."—Spirit of the Age.

PROSPECTUS

OF

THE CHARLESTON MERCURY

A POLITICAL, COMMERCIAL AND LITERARY NEWSPAPER

PUBLISHED DAILY AND TRI-WEEKLY

THE Mercury gives daily reports of the Market and Marine Intelligence in Charleston, and of Charleston commerce in the leading seaports of the world. The Weekly Prices Current is made up with much care, and from the most reliable sources. Its connection with the Associated Press insures to the latest intelligence by Telegraph and the earliest news by Steamers from Europe. It has an able and accomplished Correspondent in London (a gentleman connected with the editorial staff of the London Times,) and regular Correspondents in New York, Washington, Key West and Havana. The monthly New York Fashion Letters and weekly letters on Life in Washington are additional attractions in favor of its lady readers. Its literary notices, from the pen of a gentleman who occupies perhaps the highest position among the literary men of the South, are discriminating and comprehensive. Attention is paid to all matters of general interest, especially those in reference to the Planter and Agricultural interests, and to the current news of the day. Great care is taken that nothing shall appear in its columns which should be excluded from the family circle.

The political creed of the Mercury consists in the principles of the Democratic Party, as laid down in the Virginia and Kentucky Resolutions of 1798 and 1799—the Sovereignty of the States; a strict construction of the Federal Constitution by the General Government, the Agent of the States; Free Trade, and an economical administration of the Government. Its policy is the Union of the Southern States in maintaining their rights.

Our City Bells.

Mayor Davidson has received a letter from the Confederate Ordnance Department accepting the Bells tendered by the several denominations in Charlotte, and has been notified that the cannon cast out of the metal will be marked the Charlotte Battery, to be placed under charge of Capt. Brem.

Troops—Troops—Troops.

During the past two days very large bodies of troops have been passing through Charlotte for service at proper points.—Where they are from and where going is private.

Many of our special friends were among them, and right glad were we to see them, but we do not regard it proper to particularize, for the enemy is frequently posted through special and friendly references.

Fort Pillow.

The New Orleans *Delta* has the following special dispatch:

MEMPHIS, April 18, 1862.

The Confederates have cut the levees on the Arkansas side of the river, above Fort Pillow, thus flooding the country. This is done to prevent the enemy advancing on that side. On the Tennessee side the fort is so well protected as to be considered invulnerable. B.

The Abolition General Prentiss, while under parole and on his way South, was arrested at Jackson, Mississippi, by order of Governor Pettus, for disorderly conduct, drunkenness, and the use of language unbecoming a gentleman.

Gen Price in Memphis, enroute for Corinth.

The Memphis correspondent of the New Orleans *Delta* says that Gen Price arrived in that city on the 11th, on his way to Corinth. He was enthusiastically received by the citizens of Memphis. In response to the call for a speech he made a few remarks, of which we make the following report:

He said he felt deeply the compliment paid him by this demonstration, but said he would prefer demonstrating his gratitude to his fellow-countrymen on the battlefield, where he expected soon to be heard from more favorably than from the stump. The time for speechmaking has passed and the time for action has arrived. He had commenced this service without men, money, or munitions of war; now he could boast of a gallant horde of true soldiers, not inconsiderable in numbers, and unsurpassed in valor and zeal, who would stand by him and he by them to the end—for weal or for woe, come when that hour may. He had returned the arms and supplies he had borrowed to begin with, and still retained abundant supplies for the valorous sons of the West, won by them in the conflicts of the past for future use. He expected soon to be heard from in the thundering tones of the cannon, the roar of musketry and the clashing of bayonets.

General Price looks to be about sixty years of age, remarkably large in person, with marked dignity of demeanor and manly bearing.

General Van Dorn will be here this morning with the remainder of the division. They are, of course, destined for Corinth.

OUR BELEAGRED CAPITAL.—The enemy is pressing on with vast and splendidly appointed armies to the capture of Richmond. McClellan has promised to his people the speedy fall of the rebel Capital, and the north now regards the event as a foregone conclusion. What military measures have been taken by our Generals to avert so great a calamity, it behooves us not to say; but we may mention that Gen. Lee, Gen. Johnston and Gen. Randolph, the Secretary of War, concur in the confident belief that we shall certainly beat the invading armies in Virginia, and that Richmond cannot be taken. We have this encouraging statement from high authority.—*Charleston Mercury.*

MRS. LINCOLN'S BROTHER KILLED.—Mr. Sam. B. Todd, brother of Mrs. Lincoln, died on the battlefield of Shiloh, of wounds received in the action of the 7th of April. The New Orleans Delta says he was a gallant private in the Crescent regiment, and died in defense of his country against the hireling invaders whom the husband of his sister Mr. Abraham Lincoln, sent to desolate and dishonor our people. It must be a pleasant reflection to Mrs. Abraham Lincoln, amid her vulgar attempts to ape royal fashions, with her balls and soirees at the Federal capitol, that a gallant brother should have thus fallen by the hands of her husband's mercenaries.

Below is a verbatim copy of the speech made by Lesly Combs, at Nashville, on the reception there of Andy Johnson. It was a report of the New York Aerald:

Fellow-Citizens: When Andy Johnson and I last met, four hostile armies were upon the soil of old Kentucky. Now, when we thus meet, not a damned rebel foot disgraces it. They have been driven from our State to the southern extreme of his, and already the banner he loved so well is floating over its capital. And Mr. Johnson will find when he arrives at Nashville, that 100,000 men are there in arms, ready to hold him rid the State of the damned scoundrels and drive them into the Gulf of Mexico.

The Yankee Secretary of the Treasury has forbidden the shipment of anthracite coal from the Northern ports, in order to prevent the rebels from receiving supplies of coal via Havana, shipped from Northern ports in barrels, &c.

FIRST EDITION.

BY TELEGRAPH.

From Fort Jackson.

NEW ORLEANS THREATENED.

Telegraphed expressly for the Bulletin.]

MOBILE, April 25.

The enemy passed Fort Jackson at four o'clock yesterday morning. When the news reached New Orleans the excitement was boundless. Martial law was put in full force, and business was completely suspended. All cotton steamboats, excepting such as were necessary to transport coin, ammunition, &c., were destroyed. At one o'clock to-day the telegraph operators bade us good-by, saying the enemy had appeared before the city, and this is the last we have heard from the Crescent City.

This is all we know regarding the fall. We will send particulars as soon as they can be had.

From Richmond.

Telegraphed Expressly for the Bulletin.]

RICHMOND, April 25.

The city is greatly excited to-day by the adverse rumors from New Orleans. Nothing official has transpired, except severe fighting at the forts yesterday. The silence of the telegraph causes painful suspense.

Nothing from the peninsula. Expectations of a battle were diminished.

It is reported that the enemy are sending troops up the Rappahannock.

Later from New Orleans.

Telegraphed Expressly for the Bulletin.]

MOBILE, April 26.

A special dispatch to the Mobile *Advertiser*, from Fort Jackson, says:

Thirteen of the enemys gunboats are anchored opposite the City.

A proposition to evacuate the city is now pending.

Various exciting rumors are afloat, but the foregoing may be relied on.

From Tennessee.

Telegraphed expressly for the Bulletin.]

RICHMOND, April 26.

Advices received from Knoxville to-day says escaped prisoners who have just arrived from Lexington, Ky., report that 10,000 Federals are concentrated at Lexington, to make a descent upon Cumberland Gap.

The Nashville *Banner* is published under the surveillance of Andy Johnston.

The Federals are fortifying Huntsville, Ala.

The cause of the South is gaining daily in Kentucky, caused by the War Tax and emancipation scheme of the Federal Government.

Fatal Railroad Accident.

MOBILE, April 26.

The up train, on the 25th, from Mobile for Corinth, ran off the track a few miles above Enterprise, killing six persons, among them five soldiers of the 19th South Carolina Regiment (Col. Lythgoe) and wounding about twenty.

Northern News.

NORFOLK, April 25.

Northern papers of the 24th inst. have been received here. The following is a summary of the news:

LATER FROM EUROPE.

The Persia, from Liverpool, via Queenstown, with dates to the 13th inst., arrived at New York on the 23d.

The privateer Sumter was at Gibraltar, the Tuscarora at Algiers.

The schooner W. C. Alexander, of Savannah, was boarded at Palmero, by armed boats and crew, from the United States Corvette Iuo. The master and crew were taken prisoners, but were released by the interference of the officer of the fort.

Recent experiments in England give reason to believe that Armstrong will soon produce a six hundred pounder, which will do great damage at the distance of 22,000 yards to mail clad steamers.

The doings of the Virginia in Hampton Roads are still discussed by the leading English journals. They say that Great Britain has two effective war ships to one of the United States.

Lord Palmerston thinks that the unity of Italy will soon be completed by the possession of Rome.

It is said that Count Walowski will make special mission to England, on the subject of the difference between France and England in Mexican affairs.

The Continental news is unimportant.

Financial.—The Bourse closed firm at 70f. 10c.—consols at London closed at 93¾ to 93¾.

THE FRENCH MINISTER.

WASHINGTON, April 23.—No political importance is attached to the visit of the French minister to Richmond. It is said that his business was to close communication with the Confederates.

Despatches from the French minister have gone to New York, where a steamer is waiting to take them to France.

SENATOR GWINN.

It is stated that the business of ex-Senator Gwinn in Richmond was more of a domestic character than political.

REPUBLICAN CAUCUS.

A political caucus was held at the capitol on the 23d. The sense of the caucus was in favor of discriminating against the leading rebels in the confiscation of all kinds of property.

FROM THE VALLEY OF VIRGINIA.

HARRISBURG, April 23.—This town was entered and occupied by Donnelly and his cavalry to-day. Large quantities of forage and grain were secured in the valley.

FROM FORTRESS MONROE.

FORTRESS MONROE, April 22.—A boat arrived here to-day, from Norfolk, with three men, a woman and two children—refuges. They report that the steamer Virginia will be out in two or three days and give information about the work of the navy-yard, and also about the troops and army movements in Richmond and Norfolk.

A Federal steamer reached Fortress Monroe on Wednesday, having on board fifteen bodies of officers and one hundred and fifty wounded soldiers. Strict military law was enforced at Newbern. Heavy earthen works had been thrown up commanding all the approaches to the town.

REMOVAL OF PRISONERS.

WASHINGTON, April 23.—The Confederate officers who are prisoners at Columbus, are removed to Sandusky. They will be required hereafter to wait upon themselves.

FROM CALIFORNIA.

SAN FRANCISCO, March 19.—The Indians are again committing hostilities on the Sierre Nevada. A party of whites was killed on the 13th. They are committing great depredations on the mails, &c.

COMMERCIAL.

NEW YORK, April 23.—Cotton is quiet, sales of 800 bales. Corn 58 to 60 cents, whiskey 23 to 24½ cents.

ADJUTANT GEN'LS. OFFICE, Raleigh, March 22d, 1862.

GENERAL ORDER, No. 5,

ALL NEW COMPANIES OF N. C.
